Please enclose a separate check for each activity. The check (for a specific activity) will be returned to you if there is not sufficient enrollment for an activity to "run"; or if the student is "cut" from a team after try-outs. Because of the above, checks may be held for six-eight weeks before processing.

CHECKS ARE TO BE MADE PAYABLE TO MASCONOMET REGIONAL SCHOOL DISTRICT AND SHOULD BE MAILED TO MASCONOMET REGIONAL SCHOOL DISTRICT, SUPERINTENDENT'S OFFICE, 20 ENDICOTT ROAD, TOPSFIELD, MA 01983 OR DELIVERED TO THE SUPERINTENDENT'S OFFICE PRIOR TO 11/6/2009.

POLICY ON REFUNDS: The full amount of the specific activity fee will be refunded if (a) the student tries out and is 'cut' from a team, or (b) the student paid but never participated in the activity. Prorated refunds are available to a student who is unable to participate in an activity because of illness or injury. (A physician's statement is required for this refund.) No refund is available to a student who (a) becomes ineligible for academic or discipline reasons, (b) moves out of the District, or (c) 'drops-out' of an activity. Once a student participates in team practices, he/she is not eligible for a refund.

MINIMUM REQUIREMENTS: In order to participate in the Masconomet Athletic Program, a student from a cooperative school (outside of the district) must have a valid physical examination form on file at Masconomet. (Physical Examinations are valid for 13 months.) RULES AND REGULATIONS

The student must adhere to the Rules and Regulations of Masconomet Regional High School as outlined in the Masconomet Calendar Handbook.

ATHLETIC/ACTIVITY RULES

The following rules are school policy and apply to all students. They are presented here for emphasis.

1. Alcohol and Drugs
 - a. Masconomet does not condone the use of drugs or alcohol at any time by our students.
 - b. The school has a strict policy regarding the use, possession, or distribution of Alcohol or Drugs in school or at any school related function. Please check the Calendar Handbook for exact details.
 - c. The Massachusetts Interscholastic Athletic Association (MIAA) has a policy regarding the use of Alcohol and Drugs while not under school control. This policy can result in exclusion from participation in athletics for a period of time. Please check the Masconomet Website regarding the details of this policy.
 - d. All students in the school who want to participate in athletics/activities must sign this form.
2. Personal Conduct -
The major justification for Athletics/Activities is to build good character among members, and by example, among all students. Therefore, good conduct is expected and is a requirement of all participants at all times. Unsportsmanlike conduct, participation in vandalism or discourteous conduct, on or off campus (while representing Masconomet) that would seriously misrepresent the character and values supported by the School Committee, will result in disciplinary action and could result in the loss of the privilege of participating in the Masconomet Athletic/Activity program.
3. Attendance -
If a student is absent from school or more than 15 minutes late on the day of an activity or on the day preceding a Saturday activity or is dismissed from school on the day of an activity, the student will not be allowed to participate without permission from the Principal or the Assistant Principal.
4. Practice/Meeting and Competition Attendance -
Activity members who miss one practice/meeting session or competition without a valid excuse, such as a health appointment, family emergency or important family plans, contest or performance in another activity, etc., will be disciplined. The second unexcused absence will result in immediate suspension as an activity member for a minimum of one game/week. Participants must notify the coach/advisor in advance of impending conflicts.
5. Tobacco -
Participants will not use or be in possession of smoking or chewing tobacco or snuff. This means no use, on or off campus. Students who use tobacco products will be disciplined consistent with the MIAA Chemical Health Policy 66.1.
6. Practice -
Authorized practices are only those organized and directed by the coaching staff.
7. Parent Commitment -
Family support for a student athlete is an important element in a student's success in athletics. Parents must help a student maintain perspective: modesty and sportsmanship in success; determination and perseverance in defeat. Family plans should be arranged to minimize conflicts with the student's athletic commitments. The student's health and well being, as well as his/her effect on the team, will be considered when play is resumed after time has been missed due to an absence from the team. This concept also applies to activities and will be administered as appropriate for each activity.

I understand these rules and regulations and am aware of the penalties imposed if I (my child) fail(s) to adhere to them and I hereby give my consent for my child to participate in extracurricular activities. I understand the school does not provide medical payments insurance coverage for students involved in extracurricular activities and it is my responsibility to pay all hospital and physician bills for school-related injuries. I assume responsibility for the transportation of my children to and from practice sessions and games if a bus is not provided.

I understand that most sports have a maximum participation level that may result in my child being informed following the tryout period that he/she will not be a member of the team for the sport selected. I also understand the "Refund Policy" as stated on the front of this form.
