Student Parking

Parking spaces are limited. All students will be judged by their attendance and tardy records. Priority will be given first to seniors. All applicants must produce a copy of a valid driver's license, car registration and a completed Masco Parking Application along with the parking fee. All spaces are granted by availability in the High School student parking lot. **Failure to park in the High School student parking lot will result in a \$30.00 parking violation.**

Under this system, students will lose their parking permit for:

1. Suspension
2. Placement on social probation
3. Students will be judged by their attendance and tardy records (five absences and/or tardiness per quarter). If the absence is due to illness, a doctor's note will be required as an excuse.
4. Any outstanding obligations
5. Leaving campus without permission
6. Excessive parking violations (5 or more)

Parking privileges will also be rescinded for failure to comply with the following regulations:

1. Upon arrival in the morning, park, lock your car and come directly into the building
2. You are expected to drive carefully while in the lot (no more than 10mph) and to adhere to the established traffic patterns and posted signage.
3. Do not gun the motor, squeal breaks, burn rubber or operate in any other unsafe or erratic manner as you enter/leave the parking lot. Safe operation is a must.
4. You will not be allowed to return to your car or leave the parking area during the day unless you have permission from administration
5. You may not sell, copy, fabricate or loan your parking permit to another student. If an emergency exists, see an administrator

Illegally parked cars and cars not displaying permits are subject to a \$30.00 fine. This amount is posted to the student's account as an outstanding obligation.

TOWING: Cars are subject to towing at the owner's expense after the first violation. Cars will be towed due to excessive violations or if a student drives after parking privileges have been rescinded.

LOST/STOLEN PERMIT: Lost/stolen permits are to be reported to administration immediately. A **\$10.00 fee will be charged if a replacement permit is needed.** Car should be locked daily to safeguard against loss.

Students who have not obtained a permit or have not been approved for a parking permit may not park at school. If an emergency or special circumstance arises see an administrator and temporary approval may be granted.

Special Note:

- Valid permit must be displayed properly and at all times when on Masconomet grounds. Failure to do so will result in a \$30.00 fine
- Student permit is for the High School Student Lot only
- Refunds will only be made if student transfers out of the Masconomet School District
- Student vehicles are subject to search if there is reasonable suspicion to believe that drugs, alcohol, stolen property or other contraband are present in the vehicle

We have read and understand the above terms and conditions.
